INDEX TO VOLUME I

Accohannoc, 85.
Accomac, 85.
Alabama (state): field work in, 47.
Alaska: field work in, 49; 323.
Algonkian: sites in eastern Canada, 254; area, northeastern, simple bone point of shell-heaps of, 261.
ALLEN, GEO. X., The Significance of . . . the Bird-Stone, 224.
Antiquity: of sites in southern California, 295.
Archaeology: amateur students of, 81; Arctic area, 323; California, southern deserts, problems in, 295; in Canada, status of, 253; in eastern Wisconsin, Central Basin, 215; conservation in, 308; copper work, primitive, 109; Delaware, burials in Delmarva Peninsula, 84; Illinois, bluff mounds in Jersey County, 6; methods, 2, 3, in excavation, 193, for preservation of copper artifacts, 194, in Southwest, 323; Northeastern, shell-heaps, 261; Ozark Bluff Dwellers, cradles of, 197; and relief, 301; significance of, 4; Southwest, 98; of eastern U. S., textiles in, 181.
Archaeological Field Work in North America during 1934, 47; 113.
Arctic Area: archaeological news, 323.
Arkansas (state): field work in, 52; cradles of Ozark Bluff Dwellers, 197.
Artifacts: terminology for shape classification of, 280.

Basket Makers, 99; cradles of, 197.
BELL, EARL H., review, Introduction to Nebraska Archaeology, 240.
Beothuk: origin of, 254.
Bird-stone: significance of, 224.
BLACK, GLENN A. and PAUL WEER, A Proposed Terminology for Shape Classification of Artifacts, 280.
Bone point: simple, in shell-heaps of northeastern Algonkian area, 261.
British Columbia: knowledge of, 255.
Burial customs: in Illinois, bluff mounds of Jersey County, 16; in Delaware, Delmarva Peninsula, 84; in eastern Wisconsin, Central Basin, 215.
BUTLER, MARY, review, Excavations at Gualupita, 246.

Cahokia: artifacts from, 7; flint spud from, 321.
California: CWA projects in, 305; field work in, 52; southern, archaeological problems in deserts of, 295.
CAMPBELL, ELIZABETH W. CROZER, Archaeological Problems in the Southern California Deserts, 295.
Canada: Canadian field, 253; field work in, 55.
CARDER, FRED, Plains Conference, 152.
Central Basin: in eastern Wisconsin, manifestations of, 215.
Chickahominy, 85, 93.
Chronology: dendrochronology, 98; question of, burial customs in Delmarva Peninsula and, 84; sequence of cultures in southern California, 299.
Classification: of cultures, 188; 257; of artifacts, proposed terminology for shape, 280.
CLEMENTS, FORREST E., Notes on Archaeological Methods, 193.
Coeur d'Alêne: cradles of, 210.
COLE, FAY-COOPER, review, . . . Dated Prehistory of Chetro Ketl.
Collecting, 179.
Colorado: field work in, 55.
Colusa, 302.
Conference: archaeological, at Indianapolis, 1935, 329; Plains, 152.
Conoy, 85.
Conservation: archaeological, in U. S., 308.
Copper: work, metallographic study of, 109; preservation of, 194.
COX, IRWIN W., The Indian Spoon, 317.
Cradles: baby, of Ozark Bluff Dwellers, 197.

DAVIDSON, D. S., Burial Customs in the Delmarva Peninsula . . . , 84.
Delaware (state): Delmarva Peninsula, burial customs in, 84; field work in, 58
Delaware, 84.
DELLINGER, S. C., Baby Cradles of the Ozark Bluff Dwellers, 197.
Dendrochronology, 98.
Deserts, southern California, archaeological problems in, 295.
Distribution: of bone point in Northeastern area, 273.

Early man in America: archaeological news, 166.
End-scrapers: defined as spoons, 317.
Eskimo: prehistory, 255; ancient culture, 323.

Florida: CWA archaeological projects in, 301; field work in, 59.
Folsom: points, 3; 177; end-scrapers, 318.

Georgia: field work in, 61; relief archaeological projects in, 303.
GLADWIN, H. S., Editorial, Methodology in the Southwest, 256.
